PRESENTATION

Presenting the 1947 LANITE. This edition marks volume twelve and two consecutive years following the war of annual production.

Notwithstanding the many obstacles involved, we have endeavored to make this annual nearer that ever receding goal which marks yearbook perfection.

Herein we give you an insight on the "behind the scene" activities of the campus for the 1946-47 season.

When the curtain is drawn and your matriculation here is completed, we hope that this picture we have painted for you today, will remain vivid in your memory tomorrow.

DEDICATION

MISS ANNA LEE CLAY

Persons to whom dedications are made are usually due much more credit, much more praise and much more appreciation than the mere dedicatory words can possibly express. We know therefore, that those meager words are not sufficiently adequate to express the love and appreciation we have for our Sponsor, Miss Anna Lee Clay.

Miss Clay's position as registrar, teacher, sponsor has afforded her much contact—not only with the juniors and seniors but with underclassmen as well. All who have shared this contact harbor a deep affection for her. Her spirit, untiring effort and general all-round support have inspired us and kept us going when we were prone to lag. Thus, the juniors and seniors take great pride and pleasure in dedicating the Lanite of 1947 to her.

BISHOP ISAAC LANE

Bishop of C.M.E. Church; born in Madison County, Tennessee, March 3, 1834; joined the Methodist Church 1854; called to the ministry in the same year; served as Pastor and Presiding Elder until 1876, when he was elected to the Episcopacy of the C.M.E. Church in Georgia; presided over every Annual Conference that the Church had; led in the establishing of the publication department of the C.M.E. Church; moved to Tennessee in 1878, where he remained. Widely known as a great missionary bishop, he established the Conference of his Church in the Indian Territory. In 1882 he founded Lane College. Married twice, he died at the age of 103.

The President Speaks

DR. DEAN S. YARBROUGH

Dear Graduates of 1947:

Congratulations upon the completion of your college careers.

It is my hope that the four years spent at Lane College opened for you new vistas of opportunities for service to mankind. I also hope that you are carrying with you memories of pleasant experiences here which will always keep Lane near and dear to your hearts.

The college careers of many of you were interrupted by World War II, which loosened upon us new weapons of destruction and techniques of suspicion and hatred such as no previous generation ever imagined. Our war experiences showed us the great need for changing the hearts and minds of men. I hope that they, plus your contacts with us, have made you decide upon a life of service to your fellowman. Selfish men, who rose to high places, brought us into World War II and will lead us into World War III.

While here, you have lived as participating members of a community which is trying to be democratic. If you have selected this pattern as your "way of life" we shall have the happy satisfaction of sending into the world a group of fine young men and women who will help in the cause of making this a better world.

We are striving to create at Lane an atmosphere of freedom to seek the truth and to teach the truth as each individual finds it.

May God bless each of you with an abundant absorption of this spirit and the courage ever to stand up for truth as you understand it.

Best wishes for a useful and successful career.  DEAN S. YARBROUGH, President.

Down through the Years

It was in 1870 that the Negro Members of the M.E. Church, South, organized the Colored Methodist Episcopal Church. In 1872, this newly organized church appointed a committee to establish an institution of higher learning. During the next four years, although handicapped by the great epidemic and other difficulties, this committee purchased a four acre plot of land in Jackson. In 1882 the doors of Lane were opened. Our first Principal was Mr. J. H. Harper, who was recommended to us by the M.E. Church, South. During our first twenty years, with but one exception, the principals of Lane College were white and members of the Methodist Church.

In 1895 Lane Institute became Lane College. The principal founder of Lane was Bishop Isaac Lane, whose name it proudly bears. We were fortunate in having the help and guidance of this beloved and saintly Bishop during the first 55 years of our 65 years of existence.

In May, 1907, J. F. Lane, A.M., Ph.D., who had been connected with the school as professor, was elected President. Dr. Lane devoted 37 years of his life to the higher education of Negro youth here at Lane.

In 1933, we discontinued our high school department. Today, we have the largest enrollment in our history. In addition to 460 full time students, we have 70 teachers from surrounding communities enrolled on a part time basis.

In 1936, we became accredited by the Southern Association of Colleges and Secondary Schools.

On December 11, 1944, we lost our President, Dr. J. F. Lane. After the Board of Trustees had been notified of the death of President Lane, the Dean of the College, P. R. Shy, was elected to serve as acting President for the remaining part of the year.

During the year of 1945 Dr. S. Yarbrough, A.B., A.M., Ph.D., M.H., was elected to the Presidency of the college. From December 11, 1945, to March 14, 1946, Dr. Yarbrough served as President-elect. On March 14, 1946, he was inaugurated as President of Lane College.

Today, under Dr. Yarbrough's administration, we are preparing to meet the challenge of post-war America, with the largest enrollment in our history, nearly one-third of whom are World War II Veterans, we are strengthening both our curriculum and our faculty.

Class History

106 bright eyed energetic freshmen hit the campus in the fall of 1943. They chose as their President, a young lad with dynamic, and charming personality, namely, Miss Mary Jane Crennell. Returning in the fall of 1944, they felt that they were now ready to participate in a full scale in the activities of campus life. They chose as their President Floyd Driver, along with Harris Houston, who served as Secretary.

With the advent of the school year 1945, we found many Servicemen returning to the campus who had served in all theaters of the war. So as sophisticated Juniorites, they deemed it wise and fitting to elect a returning veteran as the office of President. The man selected was Nathan Mitchell. Harris Houston again took office as Secretary.

This year the class of 1947 returned, confronted with the difficulties and toil of busy and dignified Seniors. This class has been instrumental in setting up the first Pio Hellenic Council on the campus, and the first Student Council which was introduced in 1946. In handing the great responsibility of leadership to the class of 1948, it is with deep regret that we say good-bye to our Alma Mater, to our Faculty, Administration, and Students.

Alma Mater

Fair Lane, we love thee, love thee well,
It is of thee we love to tell
Of friendly years of college life,
Of college years with pleasure rife;
Of years we look upon with joy,
Of years we could but help employ.
Our minds in ecstasy when soon
We would begin this happy tune.

Long may our loved college live
For we our zealous help will give.
And give it too with might and main
To that dear school we love, our Lane
When out upon life's rugged sea,
We then will turn and think of thee,
We'll think of days we spent with you,
Of days we cheered the Red and Blue.

When troubles rise to dim our way,
We'll know no other words to say
And say them over and over again,
We love thee dearest, fairest Lane
And may our loved college live
For we our zealous help will give.
And give it too with might and main
To that dear school we love, our Lane.

Miss Dorothy Andrews

Looking beautiful and breath-taking on the stairway is Miss Dorothy Andrews, charming member of the Senior Class, who was chosen "Miss Lanite" through a popularity contest sponsored by the Lanite Staff. A member of the Senior Class, Dorothy comes from Trenton, Tennessee.
Class Poem

Comrades, at last we are nearing
The part that heralds our dreams,
And after all I see in the clearing,
The object of all our scenes.

No fear or care had we,
Our Captain was wise and sure,
And we spent time in mirth and glees,
For we knew he would guide us through.

But now we are nearing the city,
And to each his own,
We must leave our pilot to his duty
And make our way alone.

Some day, in the dim distant future,
We'll be Captains of ships of our own,
And our hearts will beat with rapture,
If we bring our crafts safely home.

Thinking, working, serving,
Each in his own different sphere,
Taking pride in the things we are doing,
For they reflect the labor of years.

Undaunted by buffets and failures,
Remembering our will makes the way,
Mindful that things not striven after
Are not the things that pay.

Onward yes, even onward,
With courageous, calm and true,
For the world is not countenance failure,
But to the stalwart it pays its due.

Written by Johnnie Marie Murray.

Class Song

[Sung to the tune of Londonderry]

The time has come when we must say farewell to thee,
Dear Fairlest Lane, we must be on our way,
Before we go our praises we must give to thee,
And now from thee we sadly do depart,

Dear College days have swiftly come and gone away,
But in our hearts they'll always linger near,
Yes in our hearts, sweet memories will ever stay,
And so dear Lane for you we'll softly shed a tear.

Composed by Miss Dorinda Collins.

September 18, 1940, marked the beginning of another academic year at Lane College. The enrollment of the freshman class had greatly exceeded that of any previous year.

Every freshman has shown interest in the affairs of the class, and with the cooperation of each, the class has built an outstanding reputation on the campus.

Freshmen are playing an important role in the various activities conducted on campus. Some are active members in the class, organizing personalities on the athletic field. The class was satisfactorily represented on the honor roll. It is our hope that the activities of this year's freshman class will be a source of inspiration to all prospective freshmen.

The Baptist Student Union is the voluntary religious activities of the Baptist students within the schools and colleges of the South as provided for and promoted by Southern Baptists. It is the connecting link between the college and the local church in the college community.

The Baptist Student Union is a new organization on the campus this year. Though its program seeks to reach all Baptist students and other interested ones, it seeks to popularize and keep vital within the life of a student the various organizations within the church, as well as the church as a whole.

Some of the outstanding events of the year have been:

2. Thanksgiving Service.
3. Advent Service.
4. Christmas Program.
5. Religious Emphasis Week Observance.
7. Parish Discussion With Tennessee Baptists.
8. Box Lunch Service.

Plans are now under way to send a representative to the State Spring B. S. U. Council Retreat.

Everyone knew that we wanted to publish a Lanite this year, but it seemed that no one was doing very much about it. When the winds were high and the temperature low, the Junior and Senior classes met and decided to pool their efforts and make their desires a reality.

The work seemed to have progressed rapidly at first, then to have bogged. As pictures occasionally turned up bad, scripts from organizations came in tardy, workers came down with the flu and other activities seemed to crowd out our work on the Lanite, our goal appeared rather distant. However, the continued support of the staff, the faculty and students, plus the ever-present guidance and assistance of our sponsor, Miss Anna Lee Clay, have enabled us to bring forth this book. For the kindness of all who have given their moral and physical support, we shall ever be grateful.

This staff has cooperated in an effort to bring to the students and friends of Lane a Lanite that would do credit to both itself and the school. If it succeeded, then it is satisfied and pleased. If not, you may rest assured that it made an honest effort to do so. You, the reader, may be the judge.

The editor takes this opportunity to express his appreciation to those members of the Lanite staff who gave their loyal support in helping to publish this annual.

The Book Lover's Club, sponsored by the Librarian, has for its major purpose the forming of an active appreciation for good literature.

The club consists of students, teachers, and members of the community; all of whom are active in reviewing constructively major works of literature of all times.

It is our hope that each member in turn will arrive at an individual view and idea of each subject. All of this enriches life; it adds experience. Not only that, it will eventually increase the consciousness of the race.

Lane College has been known for its superior singing groups nearly as long as it has had a name. This year's Concert Singers have proven their ability on many occasions. Under the able direction of Mrs. Corbye Nichols Stephens and her able assistant, Richard O. Bass, who served during her illness, these singers rendered excellent concerts in Jackson and vicinity, throughout the Middle East and Northeast sections of the United States.

The reports that return to us from those upon whose ears the blended, melodic strains have fallen, are that the concert singers are gracious, well trained and excellently directed.

It is our hope that some of these talented young artists will see the light and capitalize on their ability in a commercial way.

PHILLIPS SCHOOL OF THEOLOGY

The President Speaks

The training of ministers and other religious workers for the Colored Methodist Episcopal Church and other Communions is a serious business, and as such should be the concern of every laityman and minister in our connection.

The minister who would render effective and efficient service in our world must not only know how to deal with and administer to the needs of the churchmen of a local denomination or religious body, but he must also learn how to deal with those cultural groupings and segments of our society in which people are arranged socially and economically. He must know something about labor and management, sharecroppers, the problems of minorities, the white collar class, the suburban community and the like.

The ministry of Jesus Christ is a ministry to the needs of people as reflected in their individual lives and in their group affiliations. It is to this task that the entire program of the Phillips School of Theology is dedicated.

INTRODUCING THE FACULTY

JAMES A. ADAMS, B.A., B.D., Professor of Church History.

MOSES C. MERRIWETHER, B.A., B.D., Professor of Biblical Literature and Interpretation.

JAMES E. ROBINSON, B.A., B.D., Professor of Rural Church Work.

President
MATRICULATION DAY

The Matriculation Day Services for the Phillips School of Theology was held January 24, 1947. The students and the faculty spared no efforts in making this a great occasion.

First row, left to right: Professors James E. Robinson, Jacob C. Oglesby, James A. Adams, Dr. Harry V. Richardson, Matriculation Day Speaker; President Joseph A. Johnson, Jr., President D. S. Yarbrough, Lane College; Professor U. Z. McKinnon, Miss Clara Nixon, Secretary.

BETWEEN THE CLASSES

Groups of students and professors of the Phillips School of Theology are talking things over. Professor McKinnon and Dr. Johnson are undoubtedly on the spot in the first group.

PROFESSOR J. A. ADAMS CONDUCTS A CLASS IN CHURCH HISTORY

The Phillips School of Theology, though under the supervision of the Colored Methodist Episcopal Church, is open without discrimination to students of all denominations. Students are taught the great fundamental doctrines basic to all denominations. The Phillips School of Theology believes that it is only by a free discussion of various points of view, a frank statement of belief, a free exchange of ideas that students of various denominations will come to a better understanding of one another and their various religious beliefs. The school believes that it is only the "Truth that makes men free," and it is to this quest for truth that the school is dedicated.

Lane College campus was almost covered in social darkness and the young men of this campus looked for a light. That light broke on November 3, 1937, as the Kappa Sigma Chapter of Omega Psi Phi Fraternity was here inaugurated.

Throughout the history of the chapter it has supported all programs of intellectual and scholarly purpose. Most outstanding being, the Negro Achievement Week, our cooperation in the formation of "The Pan Hellenic Council of Lane College," and many others.

With the lamp being fed by young men of impeccable integrity and indefatigable veracity the light has grown to an eternal brilliance enlightening the world.

The light of Alpha Kappa Alpha began to burn on Lane College campus March 3, 1939. The coming of Beta Chi Chapter was an inspiration for the young women who had longed to become a member of this great organization. Since the chapter was organized many fine young women have "crossed the burning sands" into Alpha Kappa Alpha "Land."

Alpha Kappa Alpha stands for all things that are educational and cultural. The purpose of this organization is to guide young women into these channels, making them better instruments to serve humanity.

Beta Pi Chapter of Alpha Phi Alpha Fraternity has its birth on Lawe College's campus on February 21, 1936. It was on this date that fifteen "red blooded" young men saw this inspiring light.

As the coming of this chapter was a profound inspiration for those who had longed to become members of this great organization.

Annually, the Alpha Fraternity conducts a week-long "Education and Citizenship Campaign." It's during this week that we visit numerous schools throughout West Tennessee for the purpose of instilling upon the minds of young people the need for adequate and effective education and complete and intelligent citizenship. We stress also: "A maximum cultivation of one's attitudes, talents, and abilities for a maximum of service to community and Nation and to our own world."

Alpha Phi Alpha, Inc., stands for love for all mankind. We, as members of Beta Pi, shall always cherish these standards, and look forward to a future of service to our dear school, Lawe College, and all humanity.

Our Motto: "First of all, Servants of all, We shall transcend all."
The Pyramid Club is the pledge club of Delta Sigma Theta Sorority. The young women are selected on basis of their moral, scholarly and spiritual standards, striving earnestly to reach the goal. They participate in the activities and curriculum in a diligent manner as they are offered by Lane College.

Founder’s Day celebration and the Jabberwock and other activities add to the enthusiastic plans to go into any task set before us with a insolent spirit; for our desire is to make Delta Sigma Theta Sorority remain perpetually a beacon light to Lanterns, ... Jacksonians... and the world.

SOMETHING OF KAPPA

The Kappa Alpha Psi Fraternity was the first incorporated Negro fraternity, having been founded January 5, 1911, at Indiana University, Bloomington, Indiana. Since the founding of this fraternity, many undergraduate and graduate chapters have been set up at colleges, universities and cities. The members of these chapters have striven to uphold those high ideals of Kappa which make for achievement.

Beta Lambda Chapter was granted its charter at the Grand Chapter meeting of 1939. Since that time the members of Beta Lambda have had its “fat and lean” years, those lean years being due to unavoidable circumstances. Now that the veterans have returned, this chapter is again in its glory and is striving to hold high the banner of Kappadom.

QUEEN OF THE DRAGONS

This lovely young lady is none other than Henrene Mosko, who won the distinction of "Queen of the Lane College Dragons" for 1946 and 1947 through a contest sponsored by the Athletic Association. She is a member of the Delta Sigma Theta Sorority and a graduating member of the Senior Class.

ATHLETICS

Since 1937, when he first joined the staff of Lane College, Coach Edward J. Clemens, better known by the sports fans as "Ox" Clemens, has compiled an enviable Southern Conference record. His greatest success throughout the years has been as football coach. However, in recent years he has developed basketball at Lane to a major sport equal to the fame and renown of his many great football teams.

Coach J. T. Beck, besides rendering invaluable service as line coach in football, he also took the track team in hand this spring.

(Cattle Bowl game played New Year's at Ft. Worth, Tex.)

The Lane College Dragons were rated the second best team in the Southern Conference at the close of their season. Although the Dragons won all of their conference games, by the Dickinson Rating System they trailed the strong Florida State A. & M. College eleven who also won all of their conference games. Florida's rating was 12.66, and Lane's was 12.66. Had Xavier, which Lane defeated, been a first division team, the Dragons would have tied for the conference championship.

Wild Bill Battles was unanimously declared the best quarterback in the Southern Conference. Jack Gilmore was named on the All-Southern Conference second team.

Lane's lone defeat of the year during the regular season came against Lincoln University in the Blue Stadium, Kansas City, Mo. Lincoln emerged victorious by a 7 to 6 score. It was the game of the year. In spite of the fact that Lane outplayed and outclassed Lincoln, they managed a touchdown by a haywire pass from Lincoln's quarterback to their end. Lincoln made the extra point good which provided the winning margin. Lane had scored late in the third quarter by a pass from Battles to Burnett in the end zone.

When Coach "Dr" Clements called out his grid charges for the new season, he found that he had sixteen lettermen returning from the service in the Armed Forces. This team of Dragons after many hard drill and scrimmage sessions, emerged a well coordinated and polished eleven that went on through the season with 7 victories and only 2 defeats.

Jack Gilmore—Jack Gilmore is one of the greatest backs in the history of Lane College linemen. Before the war, he was All-Southern and All-American. Returning to the campus after four years army service, he captained the Dragons in a very successful season. Jack proved to us that he is just as shifty and tricky as ever.

Raymond Burnett—This big rugged end is a fellow that likes to play football. On the receiving end of most of the passes thrown by Battles and Gilmore, Burnett was a constant threat to all Southern Conference teams. Burnett, a Junior, returns next fall.

William Battles—Battles returned this season after serving three years in the Armed Forces. "Wild Bill" is considered one of the greatest punters in college football today. He was selected on the SIAC 1st team as the best quarterback in the conference.

DRAGONS PLAY IN CATTLE BOWL

The Dragons were invited to play in the Cattle Bowl Classic on New Year's Day at Ft. Worth, Texas. Their selected opponents was the strong Arkansas State A.M.N. College eleven from Pine Bluff, Arkansas.

The game was played on a field of ice and snow which hampered the running attacks of both teams. Lane in the third quarterArkansas State took advantage of a fumble and converted for the winning score of the game. Arkansas State 7, Lane 6.

Lane's Powerhouse Line

Left to right: Raymond Barnett, Willie Potts, Lee Moore, John (Country) Reeves, Tommy Reynolds, Alex Moore, and William Jackson.

This was one of, if not the strongest, of lines to wear the colors of red and blue. Big and aggressive, they were the most feared linemen in the Southern Conference. In conference games, they allowed their goal to be crossed only twice, totaling 12 points, while the Dragons amassed an amazing offensive total of 157 points.

William (Duck) Greene—Fullback for the Dragons and one who was always in there ploughing hard for that necessary extra yardage. "Duck" has one more year with the Dragons in which he hopes to be even better.

John (Country) Reeves—A mean center, who was in on every play. He stopped the biggest of them who tried to hit through the center of the line. He returns again next season.

John Johnson, Jr.—John returned from the service and displayed the same skill and trickery he showed in making All-Southern in 1942. John performed at right half. A cool performer, John could always be counted on. John graduates this year.

Basketball

THE GYMNASIUM

BASKETBALL SQUAD

JACK GILMORE
While his regular position was guard, he could be switched over to play the pivot post. Scatty, and an excellent feeder and ball handler, Jack set up many points for the Dragons, while managing to do his share of the scoring. Gilmore was placed on the SIAC All-Tournament Third Team. Home-town—Beloit, Wis.

GEORGE SAUNDERS
"Ace," as he was frequently called by his teammates, was the Dead-eye Joe of the team. Playing center, he held his own amongst the best in the Conference. "Ace" was second highest scorer for the Dragons. We remember Saunders for his scoring in the playoff. Home-town—Centralia, Ill.

WILLIAM JERNIGAN
"Mr. Buck" is his name. Bill could hit from any angle on the floor. Used as string reserve, his timely baskets saved many a game. We must give credit to the excellent game Jernigan played at guard, a position that was new to him this year. Home-town—Wichita, Kansas.

RILEY BANDY
Riley maintained the Dragons to the best season's record in history of the school. Though one of the shortest players in the Conference, he didn't let this hinder him. He was the spark plug of the Dragon five. Few can equal his quick dribbling and teamwork. Bandy won a place on the SIAC All-Tournament for Teams. Home-town—Beloit, Wis.

LOUIS SCOTT
"Scottie" was the leading scorer for the Dragons. There are few one-hand shot artists of the equal of Louis. A marked man in every game, he managed to score frequently. Scott has a deadly one-hand shot that he has perfected, and is a pest to opponents. "Scottie" was placed on the SIAC All-Tournament Second Team. Home-town—Wichita, Kansas.

WILLIAM ROBINSON
"Bill" is how he described as a sensational and spectacular player. He could be counted on any time to dribble the length of the floor and score. It was a real Robinson that made two feet throw in succession to clinch the Tournament game against Clark in the final seconds of the game. Home-town—Wichita, Kansas.
Basketball

SIAC BASKETBALL TOURNAMENT

Lane entered the Southern Conference Tournament held at Tuskegee Institute, Ala., with an impressive record of 12 conference wins to 2 setbacks. This gave them a tie with Tuskegee for first place. By virtue of the Dickenson Rating System, which is used in the Southern Conference, Tuskegee was seeded No. 1 in Lane No. 2 team for the tournament. Lane won its first two games played on the same night against Clark and South Carolina State, respectively. It was a strong and determined team from Florida that beat the tried Dragons on the following night. Florida A & M went on to take the Championship. With renewed strength and spirit, the Dragons clicked with precision to trip the Morehouse Tigers for the third place and consolation title.

The Dragons left a lasting impression with the officials, coaches and audience as they placed three players on the SIAC All-Tournament team. Selected on the first team was Riley Bandy, captain of the Dragons, and a great shoot man. Louis Scott won a berth on the Second Team for his dead-eye scoring. Jack Gilmore, the Dragon's ace pivot man, got the nod for a position on the Third Team. William Jerreger and H. C. Duggan were given Honorable mention.

THE SEASON'S RECORD

Coach Glennon and his basketball team enjoyed the best season on record for the Dragons. Playing a total of 25 games (including tournament play), the Dragons were victorious in 20.

STUDENTS FROM FOREIGN LANDS

Evidence that the peoples of the earth are blending into one world is given by the fact that the exchange of students is now world wide. Pictured above are three students enrolled here and who have orientated themselves into the program here, and now feel that they are an integrated part of all activities.
