The purpose of the Pan-Hellenic Council is to govern the activities and memberships of the local fraternities and sororities. It also develops a oneness between the organizations. The council is made up of representatives of each fraternity and sorority.

SIGMA GAMMA RHO

Sigma Gamma Rho was founded on November 12, 1922, in Indianapolis, Indiana. On December 30, 1929, the sorority became an incorporated National Collegiate Sorority when a charter was granted to Alpha chapter at Butler University, Indianapolis, Indiana. Our slogan "Greater Service, Greater Progress" is expressed in our greatest contributions. This sorority is the youngest of the Greek organizations, having been organized in 1922, yet, is the oldest fraternal organization on Lane College Campus. Alpha Gamma Chapter was organized here at Lane in 1932.

Another edition of the Lanite is now in the hands of the Student Body. It has been the sincere desire of the entire Lanite Staff since September to compile a volume that would serve as a reminder of old familiar scenes, faces and records of your fellow students during the year 1955-56.

The excellent cooperation of the student body, faculty members, and administrative staff played an important role in the publication of this book. Sincere thanks for their splendid services are extended to the entire staff, to Mrs. Clara Hewitt, Mr. Thomas Womack and Mr. William Jackson our sponsors, to Mr. Herman Stone for the pictures, and to the Hurley Publishing Company.

The patience, guidance and faithfulness of these have made our task a most enjoyable and profitable one.

The best of everything to you fellow classmates.

William A. Fingal
Associate Editor.
