MRS. ALICE E. KIRKENDOLL

The Lanite staff dedicates its humble gratitude and admiration the '1958' edition of the Lanite to Mrs. Alice E. Kirkendoll.

Mrs. Kirkendoll, wife of our president and first lady of the campus, is cited for her outstanding reputation as official hostess of the campus, her dedicated support of the program of the college and her unselfish help to many students in their effort to get a college education.
To The Senior Class Of 1958:

What you have accomplished thus far has been achieved by a combination of hard work, intensive study, and a great deal of courage. You, as other college students, have lived in a "tailor-made" environment, different in many respects from the environment of the work-a-day world. However, during your four-year sojourn in the College community, you have adapted well and met in an adequate manner its many demands placed upon you.

If you carry this same combination of initiative, skill, and determination into the work-a-day world, we are confident you will adapt properly to your new environment, work efficiently, and achieve success proportionately in the days ahead.

The prayers and best wishes of the Lane College family go with you as you leave these hallowed grounds to take your places among the thousands of Lane's sons and daughters now making their contribution to mankind.

Very truly yours,

C. A. Kirkendoll

THE 75TH ANNIVERSARY CELEBRATION

LANE'S SEVENTY-FIFTH ANNIVERSARY

LANE celebrated its 75th Birthday in February 1957. It was a glorious occasion for the entire college community. There were series of lectures and a Fine Concert by Miss Marian Anderson. The winter sessions of the Bishop's Council and the Religious Board of Education held their sessions on the campus. Thousands of people from far and near were on the campus. The response was the greatest ever to a Lane College celebration.
