President and Mrs. Kilbride are parents of these fine children. They are from left to right: Laura Jean, a High School Freshman; Chester Jr., a High School Sophomore; and Keely, a sixth grader.
THE PRESIDENT'S FAMILY

All members of the Lone College family love the President's family. A cheerful friendly trio of children and a warm and friendly wife, mean much to the family atmosphere of the Campus.

Mrs. Kirkendall finds herself busy in school and community work most of the year.

Chester, Jr., is a robust youth, loving younger who plays football, baseball and works in the Boy Scouts.

Loriente Jean loves the piano but finds the call of the out of doors often too much to resist.

Chester loves his role of Big Brother and often takes Kapil on to teach him the ropes.

Kapil, the youngest in the intellectual type, he loves to read and explore.

Winky is a favorite with all the family. She never finds it lonely.

Chester feels that Winky is sometimes neglected by him because he is so busy.

Winky loves to hitch hike a ride to any place any member of the family goes.

J. A. Cook, Coach

The 1957 edition of the Dragons kept the school spirit high with their long runs and good blocking. Coach Cook did a splendid job with a small inexperienced squad. In the first two games the Dragons racked up big scores. They played well and looked excellent as a team. This was an unusual feat for a team that had never played together before. We give credit to Coach Cook and Coach Manuel for making a representative team out of a group of new men.

We had our ups and downs as most teams, but the Dragons did not let their downs keep them down. They came back fighting hard to end the season with a 5-4 record.

In all respects, the Lane College Dragons have proven themselves as being a shining example of cooperation and school spirit. Without these qualities, we would not have come close to the goal which we were striving to reach, which is to the Dragons for a most interesting and enjoyable season.

OMEGA PSI PHI

"Friendship is essential to the soul."

On November 17, 1911, Omega Psi Phi Fraternity was founded by four brothers (Edgar Love, Oscar Cooper, Frank Coleman, and Ernest Just) whose objective was to inspire and unite college men through the ideals of scholarship, manhood, perseverance, and uplift.

Since that time Omega has strived to bring about a union of college men of high ideals; to disseminate and inculcate these ideals among those with whom it comes in contact; to co-operate with the school which may help in its ideals; and to occupy a progressive and constructive place in the civil life of the nation.

The highlight of the tenth Annual Achievement Program was the selection of Miss Delene Hudson as "Outstanding Citizen of the Year" for her many contributions to the community and to her race. Omega men rank among the top students at Lambda. Significant achievements of Brother David Manuel as assistant coach, Brother Emmitt Paine President of the Senior Class and Brother George P. King, President of the Pan-Hel- lenic Council, President S.I.R.A., President of the History Club and an active member of the S.C.A.

DELTA SIGMA THETA SORORITY

The founder of Delta Sigma Theta Sorority visualized in 1913, at Howard University, an organization whose aims would be something more serious than social activity. They longed to see developed a union of college women based on certain cardinal principles and pledged to uphold lofty ideals, into a bond of elevation these noble women brought together college women of like potentialities and dedicated to the same ideal and purpose. Our annual Founder's Day celebration, Jeanderwic May Week celebration, and other activities are evidences of our plan to go into any task set before us with zealous spirit.

Sigma Gamma Rho Sorority is an organization composed of young ladies of similar ideals, who have banded together for the purpose of doing their share of making the world a better place in which to live.

Our Slogan, "Greater Service — Greater Progress," is expressed in our greatest contributions.

Sigma Gamma Rho Sorority is the youngest of the Greek organizations, having been organized in 1922. Yet it is the oldest fraternal organization on Lane College Campus. Alpha Gamma Chapter was organized here at Lane in 1932.

The Aurora Club is the observation club of Sigma Gamma Rho Sorority. It is composed of young ladies who have shown that they possess many of the qualities looked for in Sigma women, and they are constantly striving for a more glorious fight. Some of the qualities these young ladies cherish are high scholarship, character and personality.
