To The Senior Class of 1959:

Your four years at Lane College are quickly coming to a close. During this period you have had many experiences which have been enriching, stimulating and invigorating. We trust that they have adequately prepared you for meeting and solving the problems which all citizens must face.

As a whole, the class of 1959 has shown many sterling qualities, such as leadership ability, initiative, and concern for high ideals which should go a long way in helping you adjust to the new environment in which you will find yourself upon leaving this "controlled life" of the college campus. It is our hope that you will adapt well to your new community and will meet adequately the many demands that will be placed upon you for service and leadership.

Be ever reminded that the prayers and best wishes of the Lane College family go with you in any professional pursuit that you may follow. We are confident that in the things you accomplish you will reflect honor upon your Alma Mater, Lane College - A Symbol of Christian Education.

Very truly yours,

C. A. Kirkendoll
