A Tribute to the '59 Senior Dragons

The four seniors pictured on this page will be missed in the Dragon line-up for the next year's grid season. They have been stalwarts in the Dragon outfit for the past four years. James Matthews and Edward Horne contributed to the pursuit, savvy and stubbornness of the Dragon line. Lowell Lewis and Charles Barton contributed to the fine running attacks which the Dragons were noted for during the past four years. Mr. Lewis was the captain of the team this season.
Two of Top Dragon Dukes Make All-S.I.A.C. Team

Summary of the 1959 Grid Season

Sept. 19—On the afternoon of September 19, the Lane College Dragons merely outplayed the mighty Kentucky State College Thoroughbreds at the college stadium in Frankfort, Kentucky, to the tune of 22-20.

Sept. 26—Lane was its second consecutive game of the year by defeating the Alabama A&M Bulldogs at Roebuck in Jackson by a score of 22-14 in their first conference game.

Oct. 9—In Montgomery, Alabama, on the night of October 9, the Alabama State team snipped the Lane College Dragons in an exciting and thrilling game by a score of 14-8, despite the fact that the Hornets were outplayed by the Dragons.

Oct. 24—After 2 straight setbacks, the Dragons were hungry for victory. It came on the night of October 24 as they battered a perennially powerful Xavier University Gold-dribble by a score of 6-0.

Nov. 7—The Lane College Dragons splattered a surprisingly strong Fisk team, on their 75th annual homecoming in Roebuck Stadium before 8,000 wildly cheering fans to the tune of 14-6.

Seemingly unaware of the importance of the final game with Knoxville on the 14th of November, the Dragons were defeated at the college stadium in Knoxville. The Dragon’s effort was in vain in trying to stop the uptight-minded Bulldogs in short and rain.

Although the Dragons lost 5 games during the ’59 season, the team was much better than its record. During the ’59 season, the Dragons were ranked 5th and 13th in the National Negro College Poll in the Pittsburgh Courier. They were also ranked 1, 2, 3, 4, 5 in the 17 membered S.I.A.C. Of course, the all important final game with Knoxville affected our final ranking in the nation and in the conference. Next year most all of the players of this squad will be returning and Lane may have its first Championship team in recent years. Hats off for a winning season!

Probation
Alpha Kappa Alpha Sorority

On January 16, 1908, a group at Howard University caught the inspiration of a fellow student, Ethel Hedgeman Kyle, and initiated the movement of Greek Letter Sororities among women in America. In 1913, Alpha Kappa Alpha was incorporated, and in 1937, initiated on this campus.

Alpha Phi Alpha Fraternity

"Manly deeds, scholarship, and love for all mankind, are the aims of our dear fraternity." Alpha Phi Alpha was founded in 1906 at Cornell University in Ithaca, New York. From one chapter with about ten members, the fraternity has grown into an international chartered organization with more than two hundred fifty chapters and a membership exceeding 25,000.

WHO'S WHO AMONG AMERICAN COLLEGES AND UNIVERSITIES

The idea of creating one national basis of recognition for college students that would be democratic and devoid of dues, initiation fees or other costs to the student was conceived about 25 years ago. The publication WHO'S WHO among students in American Universities and Colleges first came into print for the school year 1934-35. Lone student names appeared in the 1952 edition.

Recognition by WHO'S WHO among students means that the student is first officially recommended from the college or university he attended and then accepted by the organization. Each nominating committee is requested to consider the student's scholarship, his leadership and cooperation in educational and extracurricular activities, his general citizenship and his promise for future usefulness.

Each student who becomes a member receives without cost a certificate of recognition, a biographical sketch in the annual publication and benefits of the student placement service provided by the organization if he needs assistance in making employment contacts.

Those who were selected from Lane to be included in the 1959 publication are, left to right: William Givens, Hamilton Person, Geraldine Taylor, Bernard Clay, Fannie Walker, Lawrence Craig, Dorothy Hamilton, Arthur Davis.

The Wit's End

And at wit's end we are. The next few weeks will see this year's events come to a hectic close as students will leave the campus and another class of seniors will be graduated.

On the surface, it is probably true that there isn't much difference between one school year and another. There have always been eight o'clock classes, football games, 'D' lists and always will be. But below the surface each year has a different personality and character all its own. We hope that we have captured some of this character in the 1960 Lusite, so that each time twenty-five years from now, you who spent this year at Lusie will smile at the reminiscences that return each time this book is opened.

The 1960 Lusite has many interesting changes this year; among them is the full Natural Color Page portraying Miss Lane College. No previous Lusite has ever had natural color. We hope that you are pleased with the emphasis placed on student activities in general.

We owe a great many thanks to a great many people for the help they have given us in this effort. Thanks go to President Kilford who permitted us to use a new publishing company; to Mrs. Hewitt, our advisor; to Mr. Bob Gilbreath and Mr. Tom Yoakley of the Taylor Publishing Company who were generous with their advice and help; to Dr. Eugene Ching, who was kind, prompt, and efficient as college photographer; to Mr. S. H. Brinzaugh, College Business Manager and to Lusite Simmons and Clyde Mosby who did the layout and art work.
