Over a decade has passed since President Kirkendoll took his office at Lane College. Throughout the world it has been a decade of change and progress, of new problems and new insights. Our President has headed our college through this period, involving us in programs to push the institution to new achievements. Building, renovation, new acquisitions, raised standards characterized this period, and the crowning achievement—successful accreditation. For the part that the President had in aiding these undertakings, we, the faculty and staff, thank him, and, with our wishes that his integrity, wisdom, and kindness may increase in the years to come, to him we dedicate this book.
OPERATION: ACHIEVEMENT—DESTINATION: UNLIMITED

Our theme for the Yearbook of '62 presupposes a personal, continuing, high and lofty ideal... ACHIEVEMENT UNLIMITED.

We operate under the knowledge that a competitive, diversified, mechanized and radically changing society places unlimited responsibility on each individual for survival.

Lane College serves a world community.

There is a never ceasing desire on the part of every Lanite to achieve what his maximal ability and perseverance will allow in prowess and scholarly attainment.

The Yearbook strives to epitomize the educational and cultural activities of our College. Nineteen members have worked assiduously to portray campus life.

Special praise goes to Mrs. Cawthorn and Dr. Ward, who tactfully advised us without our knowing it... to our Editor-in-Chief, Lanier Simmons, who coordinated the Yearbook plans... to Earl Wade for his artistry... to Mack Lacey for his adeptness in business... to Doylee Blue Lee and Nola Fousa for their unifying work as copy and feature Directors respectively... and to a swell staff.

As you review in retrospect the 1962 Edition of the Lanite may you be inspired to achieve in an unlimited way.

THOMAS BOYT
Associate Editor
Greetings to the Class of 1962:

What you have accomplished thus far has been achieved by a combination of hard work, intensive study, and a great deal of courage. You, as other college students, have lived in a "tailor-made" environment, different in many respects from the environment of the work-a-day world. However, during your four-year sojourn in the College community, you have adapted well and met in an adequate manner its many demands placed upon you.

If you carry this same combination of initiative, skill, and determination into the work-a-day world, we are confident you will adapt properly to your new environment, work efficiently and achieve success proportionately in the days ahead.

The prayers and best wishes of the Lane College family go with you as you leave these hallowed grounds to take your places among the thousands of Lane's sons and daughters now making their contribution to mankind.

Very truly yours,

C. A. Kirkendoll
President

LANE COLLEGE CHAPTER OF NAACP

The Youth Council Branch was reorganized on this campus, April 4, 1960, by a group of Young people destined to see Rousseau's philosophy "Liberty, Equality, Fraternity," come true.

The Youth Council Branch has adopted a set of goals and they are: The elimination of all segregation and the establishment of equal rights for Americans of all races. To achieve this objective means for the Association an ever-greater intensity of work between now and the Emancipation centennial. It also requires larger membership and increased financial resources.

The Association's ultimate goal is the establishment of equal rights for Americans of all races in respect to security of the person, voting, education, employment, housing, treatment in the courts, and various public accommodations. To deny equal rights to any citizen solely because of his race or color not only is morally wrong, it also is psychologically destructive to persons of both races, economically foolhardy, and internationally explosive.

HISTORY OF ALPHA PHI ALPHA FRATERNITY, INC.
BETA Pi CHAPTER
It was because of Brother J. T. Reck's vision and foresight that Alpha Phi Alpha was established on the Lane College Campus. Because of his devoted interest in young men and knowing the value of fraternal fellowships, he sacrificed both time and money to get Beta Pi established. Brother Reck, distinguished educator, counselor and humanitarians, was an inspiration to the brothers of Beta Pi for twenty-two years. His memory, we shall cherish forever.

"First of all, servants of all. We shall transcend all." This Alpha saying is quite true in the history, both past and present, of Beta Pi Chapter and Beta Upjohn Lambda Chapters. Beta Pi Chapter can say that it was the first fraternal organization on the Lane College Campus.

The charter members of Beta Pi, are: Everhara, James Granberry, Columbus, Tenn.; T. J. Robinson, Milan, Tenn.; Charles Johnson, Chicago, Ill.; Wilson Graves, N. Y.; N. Y.; C. N. Berry, Jackson, Tenn.; Melvin Taylor, Milwaukee, Wis.; John Collins, Gary, Ind.; Rex Curry, Jackson, Tenn.; John Bowden, Artis Burris, Paul Folk, Robert Riven, James Walker; (Omega Chapter).

HISTORY

Alpha Kappa Alpha Sorority was founded on January 16, 1908 on the campus of Howard University by Ethel Hedge- man Lyle. This was the first Greek letter sorority initiated among Negro women in America.

The sorority promotes such high ideals as (1) sisterly love, (2) better scholarship, and (3) the promotion of human welfare.

As contributions to society, Alpha Kappa Alpha Sorority has such National Projects as the American Council on Human Rights, Housing, Scholarship, Health, and Sickle Cell Anemia.
Delta offers close cohesion and organized support in friendly surroundings with sisters who have many common interests and goals. The sorority’s aims are directed toward scholarship, leadership, service, activities and personality adjustments—the things that prepare a young woman for her role in society after graduation. High scholarship is stressed with the young woman’s eye on the scholastic achievement of which she is capable. The training for leadership gained by active participation in the sorority and in campus life benefits one in years to come as well as for the present.
