Willie "Hawk" Shaw, a Junior from Akron, Ohio, is one of Lane's most talked about students. We are proud of Shaw because he put Lane on the map Sportswise.

Last year, a Sophomore, Shaw led the Small Colleges in scoring. His average of 32.8 points per game was unmatched. This feat and others caused Sportswriters of Dell Magazine, and the NAIA to name him to the All-American Team of 1964-65. Currently, he is right back in the pack leading the nation with a whopping 42.6 points per game.

Now that you have viewed the yearbook from the beginning to the end, it is hoped that some memorable events have been captured or something special will be kept alive.

Special thanks to the Faculty Advisors—Mrs. E. M. Cawthorn and Dr. Allan Ward; to Mr. Bob Gillumoli, Mr. Tom Yokley, Representatives for Taylor Publishing Company; and Town and Country Studio for photographic services rendered.

We must continue to achieve. Remember that "Dear Old Line" established within our education the basic concepts, values and understandings to become continuing useful citizens.
