Who's Who Among American Colleges and Universities

The idea of creating one national basis of recognition for college students that would be democratic and devoid of dues, initiation fees or other costs to the student was conceived about 29 years ago. The publication Who's Who Among Students in American Universities and Colleges first came into print for the school year 1934-35. Late student names appeared in the 1952 edition.

Recognition by Who's Who Among Students means that the student is first officially recommended from the college or university he attended and then accepted by the organization. Each nominating committee is requested to consider the student's scholarship, his leadership and cooperation in educational and extracurricular activities, his general citizenship and his promise for future usefulness.

Each student who becomes a member receives without cost a certificate of recognition, a biographical sketch in the annual publication and benefits of the student placement service provided by the organization if he needs assistance in making employment contacts.

Those who were selected from Lane to be included in the 1964 publication are, left to right: Alene Taylor, Carolyn Vaux, Alene Norris, Mary Gilstrap, Shirley Haynes, Martha Dixon. Top, left to right: Oliver Mack, Wesley McClure, Willie Shaw, Chester Kirkendall, Austin Harrold, John Darden.

THE MIGHTY FIVE

Captain, Letter Hooks, Captain Willie "Hawk" Shaw.
The Luce varsity season boasts of an 11 and 5 record. They also played their hearts out in the SIAC tournament, where they were beaten by Florida A&M, by the score of 111 to 112. Here Will Shaw was chosen to the All Conference First Team, after scoring the 67 points in two outings.

"Shupe" got hot.

"Meet Mr. Willie "Hawk" Shaw"

Willie Shaw, "Hawk," as most of his friends call him, is truly a fine scholar, a soft spoken gentleman, and a brilliant athlete. We at Lane feel very fortunate in having Will as a classmate. While in attendance here at Lane, he has excelled in many aspects of college life. He has maintained a 3.3 average and has found time to participate in the following organizations: Alpha Phi Alpha Fraternity, Dean of Pledges; SCA, Vice-President; NAACP; and manager of one of the intramural softball teams. He is also Mr. Personality.

"Hawk," is three times Little All American and has won the Scoring Crown of the 490 Small Colleges twice and came in third once.

Pictured in the right hand corner is "Hawk" in his traveling jersey, with his home jersey in his hand. The administration of the college after a request by the senior class, has consented that the two jerseys will be retired after the last game. They will hang in the trophy case as a salute to one of Lane's greatest athletes.

We, the members of the Lunate Staff, feel that this is the least that we can do for our own, MR. WILLIE "HAWK" SHAW.
