In Memory

Of years gone by and years to come
we will remember Lane,
of years gone by and years to come
our ties will be the same.

Of days gone by and days to come
the ties that bind will hold,
of days gone by and days to come
the story shall always be told.

The story of Lane with a legend that’s true
as a shining light guiding you,
the story of Lane and all she has meant
for those of us who were well spent.

The story of knowledge, of learning and precepts
of good times and toils and visions of depths,
of friendships and joys, sadness and pain
in our hearts will always be kept.

Of years gone by and years to come
our hearts will be true to you,
of years gone by and years to come
we shall remember the red and blue.

Religious Emphasis Week

The College sponsors a week of religious emphasis each year. A guest minister and soloist are invited to the campus to share with us their spiritual experiences. During this week there are such activities as student prayer cell meetings, fellowship hours, spiritual retreats, and private conferences. The program is under the direction of the Department of Religion and Philosophy with the Dean of Chapel as the coordinator. It seeks full student participation in all of the areas, and seeks to touch the entire college community.
