IN MEMORY

Of years gone by and years to come
we will remember Lane,
Of years gone by and years to come
our ties will be the same.

Of days gone by and days to come
the ties that bind will hold,
Of days gone by and days to come
the story shall always be told.

The story of Lane with a Legend that's true
as a shining light guiding you,
The story of Lane and all she has meant
for those of us who were well spent.

The story of Knowledge, of learning and precepts,
of bad times and toils and visions of depths,
Of friendships and joys, sadness and pain
in our hearts, will always be kept.

Of years gone by and years to come
our hearts will be true to you
Of years gone by and years to come
we shall remember the red and the blue.

"DARING TO DO THE IMPOSSIBLE!" has and continues to be the philosophy of Mr. Eddie F. Pate, 1976-77 "TEACHER OF THE YEAR."

Challenging students to do and drive for the best is characteristic of Mr. Pate. Affectionately dubbed, "Mighty Mouse" by many students, Mr. Pate seems to possess an endless amount of energy.

Not only does he advocate academic excellence, he also is actively involved in several campus organizations. For example, during the 1976-77 school year, he served relentlessly as advisor to the following organizations: Student Government Association, Senior Class, Social Science Club, Scholarly Affairs Committee, and Phi Beta Sigma Fraternity.

IN GRATITUDE OF HIS DEDICATED AND DISTINGUISHED SERVICE, THE MEMBERS OF THE GRADUATING CLASS PROUDLY ELECTED MR. EDDIE PATE "TEACHER OF THE YEAR."
