INSIGHT

Often when it seemed I found
Goodness here, there all around.
I saw on closer scrutiny,
The goodness came from inside me.

Why did the whole world seem to smile?
Because I laughed with it awhile.
Why was all earth so bright with sun?
Because my light heart gave it one.

What made the future seem so bright,
The past seem dear, the future right?
What was it set the day apart?
The peace of God within my heart.
Since then when life looks dark and grim,
My assets small, my prospects dim.
I push dark thoughts back on the shelf,
And seek for heaven in myself.
