THE PRELUDE

THE CALL TO ASSEMBLY:

Leader: God is our refuge and strength, a very present help in trouble.

People: Therefore we will not fear, though the earth be removed, and though the mountains be carried into the midst of the sea;

Leader: Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof.

People: There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the Most High.

Leader: God is in the midst of her; she shall not be moved: God shall help her, and that right early.

People: The heathen raged, the kingdoms were moved.

Leader: He uttered His voice, the earth melted.

People: The Lord of hosts is with us; the God of Jacob is our refuge.

Leader: Come, behold the works of the Lord, what desolations He hath made in the earth.

People: He maketh wars to cease unto the end of the earth; He breaketh the bow, and cutteth the spear in sunder; He burneth the chariot in the fire.

Leader: Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.

ALL: The Lord of hosts is with us; the God of Jacob is our refuge.

The FLETC College Intern Program provides a unique opportunity for interns to participate in the Federal law enforcement training environment. Three sessions of the College Intern Program are conducted annually. Sessions are twelve (12) weeks in length. Each intern is assigned to a mentor in one of the FLETC training divisions or a mentor from one of the on-site Partner Organizations. The program is designed so that, overall, half of the session is spent attending various components of Federal law enforcement basic and advanced training programs, and the remaining half of the session is spent working on meaningful law enforcement training-related research and writing projects under the guidance of the intern’s mentor. Intern Benefits - In addition to access to FLETC’s training and recreational opportunities, interns receive $56 per session day of taxable income to help defray the cost of meals, incidental expenses, and travel costs. Interns are required to live on the FLETC facility in a dormitory at no cost. Interns are issued uniforms for training and physical conditioning, which must be worn every training day.

College Majors and Graduate Degree Programs - Students majoring or obtaining advanced degrees in Criminal Justice, Criminal Justice Administration, Forensic Sciences, Psychology, or Computer Forensics, as well as students pursuing Juris Doctorate are encouraged to apply. **JANUARY IS CERVICAL HEALTH AWARENESS MONTH**
It’s the start of a new year – a time when many reflect on their health. The Lane College Wellness Program is on a mission to encourage women to contact their health care providers to schedule a Pap test to check for cervical cancer. Screening is a crucial part of a woman’s health care regimen, yet one that many overlook.

While routine Pap testing is the best means of detecting cervical cancer at an early stage, vaccines have the potential to protect women from the disease by targeting cancer-causing types of the Human Papillomavirus (HPV). Two forms of the virus, HPV 16 and HPV 18, account for more than 70 percent of all cervical cancer cases. Some medical experts believe that through successful education, screening, and vaccination programs for women, we will have the potential to nearly eliminate cervical cancer in the U.S.

Jackson, Tennessee — Approximately 12,000 American women will learn they have cervical cancer this year, and about 4,000 will die from an advanced form of the disease. January is Cervical Health Awareness Month and the Lane College Wellness Program is focused on educating women about the importance of the Pap test as a screening tool for cervical cancer and about vaccines that can further reduce the burden of this devastating disease.

To learn more about cervical cancer, contact your doctor or the National Cervical Cancer Coalition (NCCC) by visiting their website at http://www.nccc-online.org.

**PRE-ALUMNI COUNCIL**
The Pre-Alumni Council will meet this afternoon (Wednesday), January 11, 2012 in the Cunningham Conference Room at 4:00 p.m. Attendance is mandatory.
