Leader:    He will not suffer thy foot to be moved: He that keepeth thee will not slumber.
People:    Behold, He that keepeth Israel shall neither slumber nor sleep.
Leader:    The Lord is thy keeper; the Lord is thy shade upon thy right hand.
People:    The sun shall not smite thee by day, nor the moon by night.

MISSION OF LANE COLLEGE
"With strong ties to the Christian Methodist Episcopal Church, the College's mission is to develop the "whole student." In addition to its priority of academic excellence, the College is also concerned about the student's spiritual, social, and ethical development. The College believes that spiritual growth is an important part of the development of the individual. Spiritual life at the College is viewed as a quality-filled experience rather than a specific and narrow range of separate activities. Spiritual programs of learning, worshipping, and service have the purpose of illuminating life and making life more meaningful."

Teacher Education Student Meeting

NATIONAL BLACK HIV/AIDS AWARENESS DAY IS FEBRUARY 7, 2012
National Black HIV/AIDS Awareness Day (NBHAAD) is a nationwide HIV/AIDS testing and treatment community mobilization initiative designed to encourage Blacks across the United States to get educated, get tested, get involved and get treated around HIV/AIDS, as it continues to devastate Black communities.

When looking at HIV/AIDS by race and ethnicity alone, Blacks have more illness (Blacks represent approximately 13% of the U.S. population and account for almost half of new HIV infections and 46% of people living with HIV disease); and more deaths (Blacks accounted for 57% of deaths due to HIV in 2006 and the survival time after an AIDS diagnosis is lower on average than it is for most other racial/ethnic groups).

The Lane College Wellness Program is stepping up their effort and speaking out about this epidemic that is 100% preventable. On February 7, 2012, 10:00 a.m. – 3:00 p.m., there will be HIV/STD testing at Shy Hall. Also, on February 7, 2012, at the Lane College Light House, 6:00 p.m., there will be a HIV/AIDS Awareness Program, "I Am My Brother's Keeper: Back to Good Health."

New VOTING Laws. We must protect the Right to VOTE!!!! Ahead of the 2012 elections, a wave of legislation tightening restrictions on voting has suddenly swept across the country. College issued photo ID cards are not valid IDs in some states. In Tennessee, the following are the only forms of identification accepted by the State of Tennessee for voting: TN State Driver's License with photo; US passport; TN Department of Safety issued photo ID; a Tennessee or Federal employee ID; any photo ID card issued by the Federal Government; US military ID; Tennessee gun permit with photo; TN voter photo ID. Please go to the Voter Registration
Office in Madison County or in your hometown and inquire of the applicable voting registration laws. At that time you should carry your last issued voter registration card, one proof of US citizenship, or lawful permanent resident, one primary proof of identity (birth certificate, military card, passport, driver's license, or ID card issued by another state, one secondary proof of identity (social security card, work ID, School ID and voter registration card). You need proof of any name changes (certified marriage certificate, divorce decree, court order), social security number (social security card, paycheck stub with SS# and name, IRS forms or sworn and notarized affidavit if no SS# has been issued); and, two proofs of TN residency. Anyone seeking to vote in Tennessee without a voter registration card and a valid photo ID will be turned away.
