2013-2014 Dependent Verification Worksheet (V2)

Your 2013–2014 (FAFSA) was selected for review in a process called Verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, the Financial Aid Officer will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and all other required documents to the financial aid office. If you have questions about verification, contact your financial aid administrator, as soon as possible so that your financial aid will not be delayed. Documents must be submitted within 30 days of this request to ensure timely processing of your financial aid award. If you fail to submit the documentation we requested you may forfeit any eligibility you may have for the award year. Student loans cannot be processed after the term or semester ends in which you were enrolled.

Receipt of SNAP Benefits (Dependent Student)

The parents certify that a member of the parents’ household received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2011 or 2012. SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

The parents’ household includes:

- The student.
- The parents (including a stepparent) even if the student doesn’t live with the parents.
- The parents’ other children if the parents will provide more than half of their support from July 1, 2013, through June 30, 2014, or if the other children would be required to provide parental information if they were completing a FAFSA for 2013–2014. Include children who meet either of these standards even if the children do not live with the parents.
- Other people if they now live with the parents and the parents provide more than half of their support and will continue to provide more than half of their support through June 30, 2014.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2011 or 2012.
