LANE COLLEGE
2011 NEW STUDENT ORIENTATION
“IT’S ABOUT STUDENTS: NOTHING ELSE”

The Power of Potential®

July 8-10, 2011
Congratulations on declaring your interest in attending Lane College for the 2011-12 academic year. The College Family is looking forward to an exciting and productive year and has every reason to believe that the Class of 2015 will be one of the best and largest ever. Definitely, it has some of the highest ACT scores, highest grade point averages, and best recommendations of any class in the history. The faculty and staff are confident that our outstanding educational and support programs will meet the challenges of a class of well-rounded students who have the desire and will to achieve their dreams.

Lane College was founded on and continues to operate on the philosophy or belief that every person is the creation of a Supreme Being who has decreed that all of His children are worthy of the opportunity to become the image in which they were created. This College invites each of you to come as you are, to invest in making your total self the kind of person/citizen you want to become, and in helping you to realize your dream. I know this promise of Lane College to be true because, you see, I am a personal witness to the fulfillment of such a promise. I am a graduate of Lane College!

Lane College will host its New Student Orientation Session, July 8-10, 2011. The three-day session is intended to provide valuable information and early exposure to college life.

This year’s focus will be to introduce students and parents to the component parts of the House that our Founder, Isaac Lane built. When you visit the campus you will be introduced to:

**The House of Student Development**

- **The House of Academic Success**
- **The House of Student Services**
- **The House of Student Development**

A description of the work sessions in each house will follow later in this presentation.

In a highly compressed period of time, you will participate in work sessions designed to facilitate your enrollment and matriculation at the College. One of the primary aims will be to ensure that your college education is as nurturing, academically stimulating, and affordable as possible.

Potential students must reside on campus. Your parents or guardians (limited to 2) may accompany you; they must reserve housing on campus if they plan to live on campus. Weekend housing assignments will be made as a part of the registration process upon your arrival. We will do our best to accommodate your requests.

Meals for students, parents, and guests will be furnished by the College in Phillips Dining Hall. They will begin with breakfast on Saturday morning. Lunch and dinner will also be served on Saturday and on Sunday breakfast and lunch will be served.

Registration will take place from 5:00-9:00 p.m. on **Friday, July 8** and again on **Saturday, July 10**, beginning at 8:00 a.m., in the J. F. Lane Health & Physical Education Complex. A detailed schedule of activities will be included in the registration packet. The first formal session will take place in the J. F. Lane Health and Physical Education Complex at 9:30 a.m. on Saturday.

**The House of Academic Success**

In the House of Academic Success, potential students will be able to gather information and complete forms that are germane to your academic success. You will be able to speak with staff about decisions on academic majors; academic advising (scheduling); the College Catalog, library and learning resources such as the Math Lab, Writing Lab, tutorial services, and Information Technology resources. This information will put you on the path to a successful academic matriculation. Be sure to stop here and get all your questions answered.

**The House of Student Services**

The House of Student Services is designed to provide access to all your service needs under one roof. You will be able to speak with financial aid counselors about the financial aid application, financial aid awards and the awarding process, and financial aid verification. In addition, potential students will be able to speak with representatives of Business and Finance regarding student account billing and payment, deferred payment plans, and the student refund process. Any admissions concerns can also be addressed here. Please visit this House and make registration in the fall a breeze!

**The House of Student Development**

The House of Student Development focuses on development of the whole student. You will find vital information on student housing; College rules and regulations; athletics; and student activities. You will find out about student health and counseling experiences as well as career counseling. And you will be introduced to the freshman seminar (orientation) designed especially for your successful matriculation.

We have made special provisions for socializing, meeting new friends, Sunday worship, and the traditional **Backyard Barbeque Picnic**. For students, Saturday will end with movies, followed by “The Red and Blue Bash” (a party). For parents and guests, Saturday will end with an informal session, followed by a Social in Water Tower Place with friends.

In order for us to properly plan for the Orientation Session, we request that you complete the New Student Orientation Registration Form included with this packet and return it as soon as possible, **but no later than June 30, 2011** to Ms. Sharron T. Burnett, Lane College, 545 Lane Avenue, Jackson, TN 38301. You can also submit this form via fax to (731) 265-1718. Ms. Burnett can be reached via telephone at (731) 426-7645. **Participants will be accepted on a first-come, first-served basis.** The maximum size for the freshman class is 700. Therefore, I urge you to respond immediately!

NSO participants must attend all scheduled sessions. In theory, these sessions are your first college classes. Failure to attend a session is the equivalent of missing class. You can’t let that be your beginning. The same is true for your attitude and conduct.

**All of us here at Lane look forward to meeting and visiting with you in July. We can hardly wait!**
